Press Release

AUWC is proud to announce:

The AUWC Community Cleaning Project

(Your Community), August 1st – 15th, annually: The Association of United Window Cleaners is proud to announce a charitable event that will enable members, as well non-members, to join forces in their local communities for the benefit of charitable organizations and those in need. The participants will be donating their time, services and/or money in their local communities for the event. We are focused on helping as many organizations and people as possible. The dates for this annual event will be August 1st - 15th. However, we will be glad to accept reports of all donations when you are able to complete them.

This event is as easy as 1, 2, 3;

1. Go to www.auwc.org download and complete a form.
2. Give it to the person/organization you are assisting.
3. Go to www.auwc.org and report your contribution to the project.

We would like to thank everyone for doing their part for the AUWC to be the best association we can and making 2009 a great year for all.

Thank you,

The AUWC Staff
